JL-20 Tariff: Effective: August 27, 2015

DISCOUNTS APPLY TO ALL INTR-ALINE AND INTER-LINE TICKETS WHERE JEFFERSON LINES IS THE ORIGINATING CARRIER

Children who have reached or passed their second (2nd) birthday but have not reached their twelfth (12th) birthday will be charged twenty percent (20%) less than the full adult fare, increased where necessary to end in "0" or "5" cents, when traveling with a passenger paying full adult fare. The child must travel on the same itinerary (both outbound and return) as the passenger paying the full adult fare to qualify for the twenty percent (20%) discount.

Note: Up to two (2) children ages two (2) thru eleven (11) will be allowed to travel at twenty percent (20%) less than the full adult fare for each passenger paying the full adult fare when all passengers are traveling on the same itinerary (both outbound and return). Any additional children ages two (2) thru eleven (11) in the travel party may be subject to paying the full adult fare.

One (1) child who has not reached his or her second (2nd) birthday when accompanied by a passenger fifteen (15) years of age or older will be carried free when not occupying a seat to the exclusion of another passenger. Children who have not reached their second (2nd) birthday and will be occupying a seat to the exclusion of another passenger, will be charged twenty percent (20%) less than the full adult fare, increased where necessary to end in "0" or "5" cents, when accompanied by a passenger paying the full adult fare. The child must travel on the same itinerary (both outbound and return) as the passenger paying the full adult fare to qualify for the twenty percent (20%) discount.

Children who have reached or passed their twelfth (12th) birthday will be charged the fare applicable to adult passengers.

Children's fares will be based on the full fare paid by the accompanying adult. If the fare paid by the accompanying adult prohibits reduction for children's fares, the child's fare will be the same as the adult fare.

No children's fares will be sold to casinos.

The foregoing rules are the basis for determining children's fares. (The carriers reserve the right to refuse to transport children from their origin, when in the judgement of the supervisory personnel of the origin carrier, supervision of such children is inadequate.) All passengers who have not reached their fifteenth (15) birthday must be accompanied by a passenger fifteen (15) years of age or older, or must comply with the guidelines regarding the transportation of Unaccompanied Children as outlined in the Policy Affecting Unaccompanied Children under the age of 15, shown below.

This form specifically names the person authorizing the trip and the person meeting the child at the destination station and the telephone number(s) at which this person may be contacted.  7. In order for the child to be released at the destination, the person named on the Unaccompanied Child Form as the one meeting the child must have positive picture identification, such as a driver's license or state issued identification card, and provide such to the agent at the destination station. Without such identification, the child will be released into the custody of Child Protective Services or to local law enforcement officials in the destination city.
 8. A fee of \$5 will be assessed for each child traveling unaccompanied.
- If any of the above conditions are not met, then the passenger must be accompanied by a passenger at least 15 years of age or older in order to travel.
